

UNICOR 2/90[®]

Office Essentials

Office Essentials

meets the primary needs of your workplace signage

UNICOR 2/90 Office Essentials is a collection of fundamental signs for a complete workplace signage program. This group of signs addresses the basic identification and way finding needs of any office environment.

All variables of the sign design have been optimized to make this program easy to customize and implement within the workplace. Through these streamlined steps, you merely provide basic information pertinent to your organization, and the signs are sent your way quickly and economically. Simply select a:

- sign type
- insert color
- copy style
- copy color
- mounting option
- end cap style
- end cap color

2/90 Office Essentials is also flexible enough to meet the changing needs of your workplace. All signs employ a modular design that allows the quick and easy change of information.

Sign, Copy and Paper Color Options

Sign Colors

Copy Colors

Paper Colors

ADA sign colors, end cap colors and copy colors are available in white or black only. As part of the UNICOR FedFast program, these ADA signs are shipped within 48 hours of your order acceptance.

Mounting Options

Shown below are the mounting options. Consult your UNICOR sales representative for the best applications for your work environment.

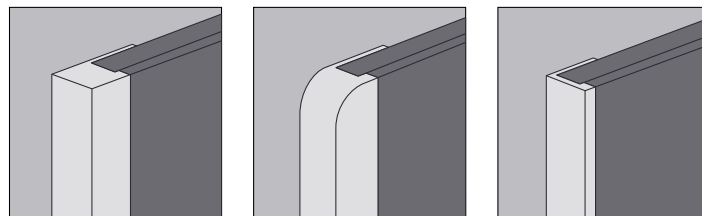

Paper Insert Option

A paper insert option is available for the Workstation/Office ID, Directory and Freestanding signs. With this feature, any document, photograph or graphic image printed on standard paper sizes can be used in the signs. Die-cut perforated paper is available from Unicor 2/90 in three color options or you may use your own paper stock for further customization.

End Cap Options

SC – Square Corner

RC – Round Corner

SL – Slimline
